

ResB(az)²

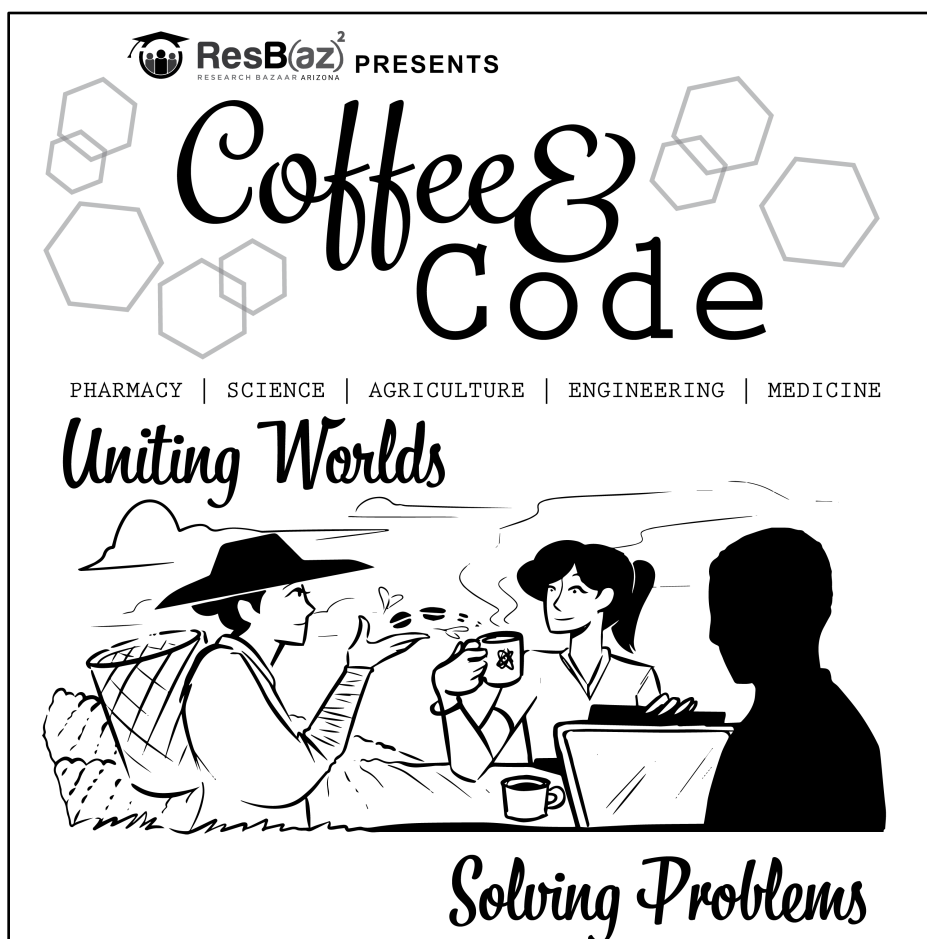

RESEARCH BAZAAR ARIZONA

The Research Bazaar is a worldwide festival promoting the digital literacy emerging at the center of modern research. Check us out @resbazaz 

Need help with science or computers? Tired of quietly suffering trying to figure it out?
Come hang out with us; it's free!* Just want to hang out? Also free!*

Not into the bar scene?

Not into mornings?

ResB(az)² PRESENTS

Coffee & Code

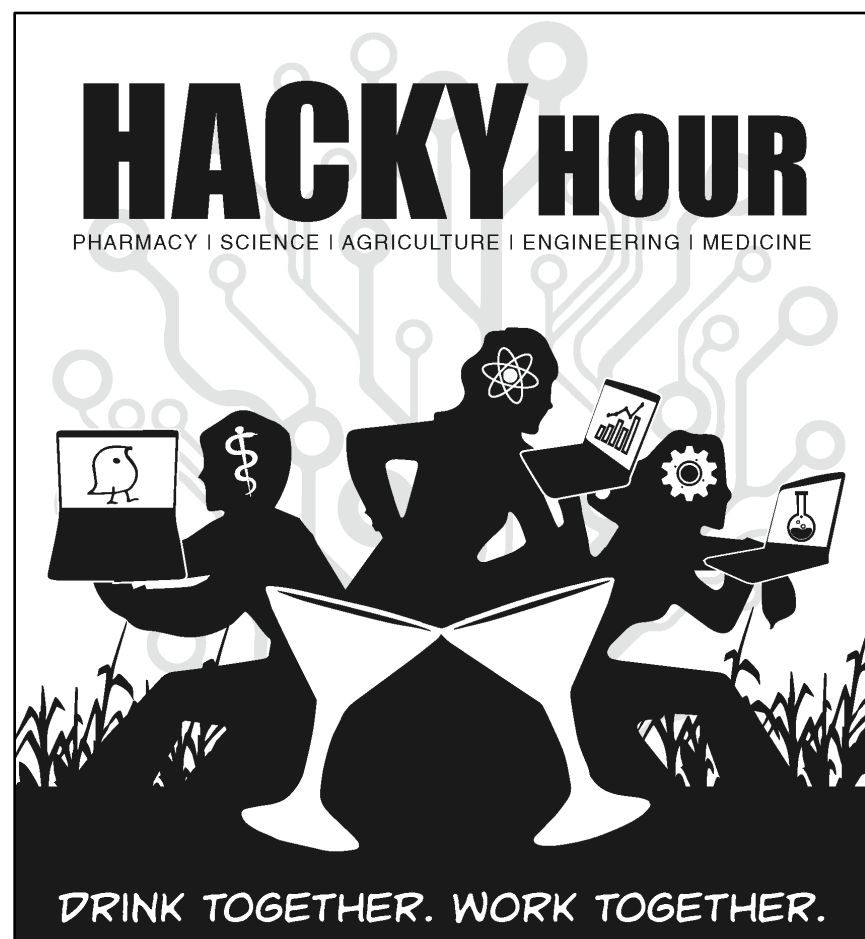

PHARMACY | SCIENCE | AGRICULTURE | ENGINEERING | MEDICINE

Uniting Worlds

Solving Problems

The poster features a line drawing of three people sitting at a table. One person is wearing a cowboy hat and holding a coffee cup, another is holding a laptop, and the third is holding a coffee cup. There are hexagonal shapes floating around the text.

Weekly, Tuesdays 8-10
Catalyst Café, (Keating Building)
1657 E Helen St

HACKY HOUR

PHARMACY | SCIENCE | AGRICULTURE | ENGINEERING | MEDICINE

DRINK TOGETHER. WORK TOGETHER.

The poster features a silhouette illustration of four people sitting around a table. Each person is holding a laptop or a tablet. The laptops have various icons on them: a bird, a medical symbol, a gear, and a flask. The background has a circuit board pattern.

Weekly, Thursdays 4-7
Gentle Ben's (Main Gate Square)
865 E University Blvd

* No beverages are provided. But it's still fun and fairly cheap one way or the other. ♦

♦ Neither fun nor cheap is a guarantee. But if you are still reading this, and it's funny: we feel more confident about the first part.
